Hi Jennifer,

I just spoke to John. He is not able to do this right now. It is tax season and he is a private accountant. He said that Gil could possibly do it. He gave me Gil's email address (gkmorrison@verizon.net). After I got off the phone with him, I remembered you said Gil doesn't want us to have his email address. You are intentionally sending me down a dead end.

Did you forward this request to Gil? Please respond.

Hey Jennifer,

There is a discrepancy here. On November 3rd (2017), you were billed \$900. So you paid \$900. But in December, the bill says you were invoiced \$1324.19 on November 9th and paid \$900 (so a balance of \$424.19 was carried over). Was there a second bill on November 9th with additional charges?

We're not going to do that - among other reasons, we have already spent a large amount of time processing the recent requests, and we need to move on to other matters.

Let me know if you have any questions. Thank you.

Also, the meeting didn't record right, stopped half way, and none of the sound worked at all even when it did record.

David, The cost of the jump drive big enough to hold the files of the meeting is \$9.99. How do we write a letter and tell her that it will cost that much to get the requested record. I have the jump drive ordered and it should be here at the latest Thursday.

Jennifer,
There are a handful that are missing and some that are doubled up. Can you check on this?

For JENNIFER SNYDER:

- 3/2/2018-3/15/2018, 6/14/13-6/27/13, 10/16/15-10/29/15 are missing.
- 12/25/15-1/7/16 is missing, but there is a 12/25/16-1/7/17 that doesn't fit. Is that the one? I assume so.
- There are two different 7/12/13-7/25/13. Which one is correct and what week is the other one supposed to be?

For BRANDON RIPKA:

- 8/8/14-8/21/14 , 9/6/13-9/19/13, 10/16/15-10/29/15 are missing.
- There is no 7/8/2016-7/21/2016, but there are two 7/22/16-8/4/16, one on the 7/8/16-7/21/16 form. I assume the original should be 7/8/16-7/21/16 (forms switched). Can you confirm?

For CHRIS SMITH:

- 10/16/15-10/29/15 is missing.
- There are two different 7/8/16-7/21/16 sheets. One is corrected. There is no 7/22/16-8/4/16 so I suspect the non-corrected 7/8/16-7/21/16 is actually that one (like Brandon's). Can you confirm? I think it must be because of the O/T notes.

For DOUG BIERLY:

- 1/1/13-1/14/13 and 10/16/15-10/29/15 are missing.

For LARON HORNER:

- All are missing except 11/30/12-12/13/12 and 1/5/18-1/18/18. Are there no others?

Thanks,
Michelle

The township is not at liberty to give out Mr. Morrison's email address. The mailing address for the Sewer Authority is PO BOX 103 Spring Mills PA 16875 and the Water Authority is PC PA 16875. David,

I am in receipt of your letter dated May 16th regarding emails. Just as I predicted, you sent me back a print of my own PDF file that I submitted to the OOR as evidence. I made sure it was 100% identifiable before I submitted it.

Where are the rest? This is going to be difficult for the township to explain, because I HAVE MORE.

Afternoon, David.

Just an update. Michelle came in the office to inspect those records. She said she is going to appeal the Browser History RTK because she doesn't believe we can redact things. She also questioned us about the missing emails from the Constable RTK appeal that the OOR told us we had to turn over in their FD. She insisted that we have to give her all our emails that are Attorney-Client Privilege.

Never ending.

Just to clarify. She inspected the Statements of Financial Interest Forms, solicitor invoices and paid the \$5.99 for the video recording of the township meeting. She did not pay for the copies of the browser history and asked me why I didn't save the file in pdf form and not print it. I told her I had to redact anything personal from the history as I was told was legal from the Office of Open Records.

I was not going to respond, but I am hoping that this information will resolve these matters. There are no minutes taken at executive sessions, and the video camera is turned off. Both are standard practice.

Just wanted to follow up to say that Ms. Grove came in to inspect the final 3 plus years of time sheets today at 1 p.m. as we had scheduled. This finishes up this request. She also took pictures of the water and sewer formation ordinances that Mr. Grove had requested and I was waiting for him to pay the copy costs or come into inspect. So that finalizes that request as well. She was here until about 2:15 p.m. FYI she had her GoPro filming us while she was looking at the records. Just a side note for documentation.

If the records are available today, I should be able to inspect them today. The reason an appointment to inspect records is reasonable, is to make sure the records are available. You can find this information on the OOR website.

Wed, Jun 27, 2018 at 9:48 AM

To: David Gaines <dgaines@mkclaw.com>, Keri Miller <KeriMiller.GreggTownship@gmail.com>

My attempt at an attestation for the Appeal received today. I can print sign and scan back to you today or by Monday once I arrive in Utah.

JEN

I serve as the Open Records Officer for Gregg Township, Centre County, and am responsible for responding to Right-To-Know requests filed with the agency.

In my capacity as the Open Records Officer, I am familiar with the records of the Agency.

Upon receipt of the request, I contacted Mr. Bierly and asked him to perform a search of his email accounts (all email accounts used for township business) regarding the keyword "prothonotary". He provided me with all email with the keyword prothonotary for the dates requested. I sent these email to our solicitor to make a determination if records fell under attorney/client privilege.

After conducting a good faith search of the Agency's files and inquiring with relevant Agency personnel, I denied the request due to the only available documents that were responsive to the request fell under attorney/client privilege as directed by the township solicitor. This determination was emailed to the requestor on Tuesday, June 26, 2018.

Michelle,

Earlier today, Jen forwarded me your email about the township billing in November and December. I am going to have my office look into it and get back to you, most likely tomorrow. I'm at home, so I don't have access to that information right now.

Let me know if you have any questions. Thank you.

Please see this chain of email from David and Michelle. The invoice for the fire company was never paid and then added to our invoice and I paid for it in December. Thus the fire company still owes the township \$424.19 for legal services.

I forwarded that invoice to the fire company for payment. I paid their portion with Check #16178 on the November 28, 2018 invoice. I will discuss with the BOS if they will continue to seek reimbursement for this from the fire company.

Michelle,

There was a separate invoice for the fire company, although we had sent it to the township based on some conversations. The invoice is attached. The bill was never paid, and we are not pursuing it any further, but that's what the discrepancy was for at the time.
