Dear Requestor:

This letter acknowledges that your request for access to public records under the Pennsylvania Right-to-Know Law, as set forth in your Standard Right-to-Know Request Form dated September 16, 2018, is hereby denied. You requested the following information:

\* 2/8/2018 First "Event" Recording after 8:00 AM of IP Camera #1

This request is denied, for several reasons. First, the requested record does not exist. The security system at the township municipal building does not utilize IP Camera #1. As set forth in 65 P.S. § 67.705, "an agency shall not be required to create a record which does not currently exist or to compile, maintain, format or organize a record in a manner in which the agency does not currently compile, maintain, format or organize the record." Gregg Township does not maintain the referenced security footage in the manner and segments referenced by your request.

Second, 65 P.S. § 67.708(b)(2) allows a local agency to withhold the following information:

A record maintained by an agency in connection with the military, homeland security, national defense, law enforcement or other public safety activity that, if disclosed, would be reasonably likely to jeopardize or threaten public safety or preparedness or public protection activity or a record that is designated classified by an appropriate Federal or State military authority.

Disclosing the security footage of the Old Gregg School and related documents would require disclosure of sensitive information relating to the public safety aspects of the facility and thereby publicize information that is currently confidential, for security reasons.

Third, 65 P.S. § 67.708(b)(3) allows a local agency to withhold “[a] record, the disclosure of which creates a reasonable likelihood of endangering the safety or the physical security of a building, public utility, resource, infrastructure, facility or information storage system.” Disclosing the security footage of the Old Gregg School and related documents would create a reasonable likelihood of impairing and/or limiting the physical security of the building and its resources.

Fourth, 65 P.S. § 67.708(b)(11) allows a local agency to withhold “[a] record that constitutes or reveals a trade secret or confidential proprietary information.” Disclosing the security footage of the Old Gregg School and related documents would require disclosure of the manner and methods by which Gregg Township ensures the safety of its facilities.

Fifth, 65 P.S. § 67.708(b)(10) allows a local agency to withhold a record that reflects “predecisional deliberations of an agency, its members, employees or officials or predecisional deliberations between agency members, employees or officials and members, employees or officials of another agency.” Disclosing the security footage of the Old Gregg School and related documents would require disclosing predecisional deliberations of Gregg Township.

Sixth, 65 P.S. § 67.708(b)(16) allows a local agency to withhold a record “relating to or resulting in a criminal investigation.” Disclosing the security footage of the Old Gregg School and related documents would require disclosing records relating to a criminal investigation.

Seventh, 65 P.S. § 67.708(b)(17) allows a local agency to withhold a record “relating to a noncriminal investigation.” Disclosing the security footage of the Old Gregg School and related documents would require disclosing records relating to a noncriminal investigation.

You have a right to appeal this denial of information in writing to Erik Arneson, Executive Director, Office of Open Records, Commonwealth Keystone Building, 400 North Street, 4th Floor, Harrisburg, Pennsylvania, 17120.

If you choose to file an appeal, you must do so within fifteen business days of the mailing due date of the agency’s response, as outlined in 65 P.S. § 67.1101. Please note that a copy of your original Right-to-Know request and this denial letter must be included when filing an appeal. The law also requires that you state the reasons why the record is a public record and address each of the reasons the Authority denies your request. Visit the Office of Open Records website at <http://openrecords.state.pa.us> for further information on filing an appeal. If you have further questions, please call me at the contact

information provided above. Please be advised that this correspondence will serve to close this record with our office as permitted by law.

Respectfully,

A handwritten signature in cursive script that reads "Jennifer Snyder".
