So I was asked to make copies of about 40 ethic forms to copy. He is coming back next week on Wednesday to discuss them. I asked how long he would be here and he said "There is another situation I want to run by you that will take another 30 or 40 minutes of your time." Now what in the world does that mean??? Just an FYI... yours is one that is in question and needs to be fixed!!! So are all of mine and everyone of the BOS among so many others.

I guess I forgot to disclose my controlling interest in ExxonMobil.

Do you have a time when he is coming? Perhaps I should be there.

Wednesday Oct 11 at 10. I have no idea or if our BOS chairman at the very least should be here. He only said a situation so who knows? He told me that twice. But they are going to work with me to help fix the sewer and water authority without having to mail all of them certified letters. I have a feeling this is just a smoke screen to get to the situation he is speaking of? But that is just my gut feeling.

Hello,

Can you please tell me who at the township I can contact to look into who is shooting guns, almost daily, near my house and to try to stop it? I am pretty sure there are no gun ranges near me. Should I just contact the PA State Police? Is there anything the township can do to limit or stop this continuous shooting?

Thank you.

Jen,

Great, thank you. Note, the shooting is within a mile of my home, to the West. Maybe Decker? I know I live in the country, and shooting a varmint or occasional target shooting is acceptable, but this shooting is multiple times per week, sometimes daily, and 100+ shots per time. Definitely organized regular target shooting, like a gun range.

I know the Trooper in charge of the Rockview State Police Barracks so I can always contact him if needed.

Hello Jen,

In regards to your question of someone shooting. There are no ordinances restricting shooting in Gregg Township. The only rule that I am aware of is that a person cannot shoot with 150 yards of someone's residence without permission.

Gregg Township does not have any noise ordinance. Mr. Dix could call the State Police but I am not aware that there is anything that they could do for him either.

Thank you very much for checking in to my complaint. I will definitely be filing multiple complaints with the State Police. Maybe the township has heard of Disturbing the Peace?!? But I realize this is a police matter, which I am happy to pursue.

Yes sorry there isn't anything we can do. Disturbing the peace is a state Police or district magistrate issue. That's where I would go with it.

Best of luck.
