Subject: Cancel Request for Reservation: September 15, 2017

Good Afternoon:

I wanted to write and request that the original request that I had emailed to use a table in the hallway for an employers open house on September 15, 2017 be canceled. We will be planning on visiting your building after the 1st of 2018, but don't have a target date at this point in time. I will write once we have a tentative date. Hopefully this won't create too much work on your end to cancel. Thanks in advance for your assistance.

Joel mentioned that you would be calling down to the Ethics office to see if you or Joel should be here during the visit tomorrow from their office. Did you have a chance to do that? The gentleman's name to speak to is Daniel Bender 717-783-1610
